

Dear Western Union Member,

**We have reason to suspect that your Western Union account may be in use by an unauthorized party.**

Your account has recently been accessed from a foreign country, while we understand that you may be on vacation or traveling abroad, Western Union Security has a obligation to protect our user's security. Within 24 hours of this message, your account will be placed on hold to ensure your personal account safety. Verification of your specific account details will enable you to once again have full access to your Western Union account.

To ensure that your service is not interrupted, please submit your billing information today:

<http://wumt.westernunion.com/asp/regConfirm.asp>

Or contact Western Union Member Services Team. We're available 24 hours a day, 7 days a week.

Regards,  
Western Union Team.
